Sending a beating to go
Send the battle the leaders is ready to roll
Send the beating to home
Send the battle the leaders are ready for war

Do you know
That we are one

Sending a beating to go
Send the battle the leaders is ready to roll
Send the beating to home
Send the battle the leaders are ready for war

Do you know
That we are one

Sending a beating to go
Send the battle the leaders is ready to roll
Send the beating to home
Send the battle the leaders are ready for war

Do you know
That we are one
We are one
We are one
Castrate , castrate all
This campaign as hoping as you can never want
anything as much as nobody thought you could!

Sending a beating to go

I don't want poison and everyone's going crazy I need
to find a way out of this place god damn hell help me
no poison no please owww.

Do I know who I am
When I know who are you
Demons know you try to
Lights are walking all over you!
Sending a beating
The battle is ready to go
Sending a beating

The battle is ready to roll
Sending a beating
The battle is ready to roll
Everybody is really ready to go
