Driftin' on a memory  
Ain't no place I'd rather be  
Then with you yeah  
Loving you well-well-well  
Day will make a way for night  
All we'll need is candle lights  
And a song yeah  
Soft and long  
well-well-well

Glad to be here alone  
With a lover unlike no other  
Sad to see a new horizon  
Slowly comin' into view yeah

I wanna be living for the love of you  
Ah yes I am  
All that I'm giving is for the love of you  
Alright now

Ooo! lovely as a ray of sun  
That touches me when the mornin' comes  
Feels good to me yeah  
My love and me well

Smoother than a gentle breeze  
Flowin' through my mind with ease  
Soft as can be well  
When you're lovin' me  
When you're lovin' me  
Ooo!

Love to be right in the waves  
Of your love enchanted with a touch  
It seems to me  
We could sail together  
In and out of mystery

Well  
I wanna be living  
For the love of you

Alright now  
All that I'm giving  
Is for the love of you  
You got me girl  
I wanna be living  
For the love of you  
Alright now  
All that I'm giving-giving  
Is for the love of you  
Oh yes I am

Paradise I have within  
Can't feel insecure again  
You're the key  
Well and this I see  
Oh I see  
Now and then I lose my way  
Using words to try to say  
What I feel oh, yeah  
Love is real  
Oh love is real  
I might as well sign my name  
On a card which could say it better  
Time will tell cause it seems  
That I've done just about all that I can do  
I know that I'm livin'  
For the love of you  
Oh yes I am  
Everyday I'm living  
For the love of you  
Alright now  
I wanna be living  
For the love of you  
Alright now

I'm living for the love of you  
Each and everyday  
living for the love of you of you of you

I know that i'm living...
