When I'm in a crowd  
Or on an island by myself  
Silent or too loud  
Wishin' I was somewhere else  
And I can't believe  
You hit me fast and hard  
When you turn to me and say  
"Never change the way you are"

Tryin' to catch your eye  
Things will never look the same  
Now I can't deny  
You're the moth and I'm the flame  
There I go again  
I should walk before I run  
How can I explain  
I can't stop what you've begun

I'm fallin' through the door  
Flyin' 'cross the floor  
When you look at me  
Suddenly it's clear  
You're burnin' up my dreams  
Crazy as it seems  
I don't wanna be anywhere but here  
Anywhere but here

What goes on inside  
Is a mystery no doubt  
Roller coaster ride  
I may never work it out  
Here's the brand new me  
Skates around and floats on air  
I'm a sight to see  
Rainbow colors in my hair  
You have set me free  
The one who gets me there

I'm fallin' through the door  
Flyin' 'cross the floor  
When you look at me  
Suddenly it's clear

You're burnin' up my dreams  
Crazy as it seems  
I don't wanna be anywhere but here  
Anywhere but here

Here is the place where  
My head is spinnin'  
Time is beginning  
To race away  
You come to throw me  
Knock me off my feet  
Give me wings to fly  
The world goes crashin' by again

I'm fallin' through the door  
Flyin' 'cross the floor  
When you look at me  
Suddenly it's clear  
You're burnin' up my dreams  
Crazy as it seems  
I don't wanna be anywhere but here  
Anywhere but here

I'm fallin' through the door  
Flyin' 'cross the floor  
When you look at me  
Suddenly it's clear  
You're burnin' up my dreams  
Crazy as it seems  
I don't wanna be anywhere but here  
Anywhere but here

I'm fallin' through the door  
Flyin' 'cross the floor  
Anywhere but here  
Anywhere but here
