no matter how hard i try  
you keep pushing me aside  
and i cant break through  
theres no talking to you  
its so sad that you're leaving  
it takes time to believe it  
but after all ive said and done  
you're gonna be the lonely one OH!

[Chorus]

Do you believe in life after love  
i can feel something inside me say  
i really dont think im strong enough  
Now  
do you believe in life after love  
i can feel something inside me say  
i really dont think im strong enough  
Now

what am i supposed to do  
sit around and wait for you  
and i cant do that  
oh, theres no turning back  
i need time to move on  
i need love to feel strong  
but ive had time to think it through  
and maybe im to good for you Oh!

[chorus]

and i know that i'll get through this  
cuz i know that i am strong  
oh i dont need you any more i dont need you anymore  
i dont need you anymore oh i dont need you anymore

[chorus fades out x2]
