Can't Rain All The Time...  
That's what I used to say  
But you were always on my mind,  
But now that you went away  
Did you even understand?  
All the ways I loved you  
But you didn't care  
Were you ever truly there?

Can't rain all the time  
There has to be a sign  
Maybe you and me  
Aren't meant be  
Gonna wash away time  
Can't rain all the time

The storm is finally over  
Yeah you're still so yesterday  
I'm a little older  
Too old to play those games  
But not you!  
You still DO!  
What the hell is wrong with you?

Can't rain all the time  
There has to be a sign  
Maybe you and me  
Aren't meant be  
Gonna wash away time  
Can't rain all the time

Can't rain forever  
No more clouds  
No more doubts  
I'm over it  
What don't you get?  
Call me when you grow up

Can't rain all the time  
There has to be a sign  
Maybe you and me  
Aren't meant be

Gonna wash away time  
Can't rain all the time
