let's go back, back to the beggining, back to when the
Earth, the Sun, the stars, all alined
cause perfect, didnt feel so perfect, trying to fit a
square into a circle was no life, i defy.

let the rain fall down and wake my dreams, let it wash
away my sanity cuz i wanna feel the thunder i want to
scream let the rain fall down im coming clean

im shedding, shedding every color, trying to find a
pygment of truth beneath my skin, cuz different,
doesnt feel so different im growin out a sweater that'll
always stay in me

let the rain fall down and wake my dreams, let it wash
away my sanity cuz i wanna feel the thunder i want to
scream let the rain fall down im coming clean

let the rain fall,let the rain fall im coming,

let the rain fall down and wake my dreams, let it wash
away my sanity cuz i wanna feel the thunder i want to
scream let the rain fall down im coming clean

lets go back, back to the beggining.
