Crash

That was you and me
Started out so innocently
Shattered on the ground
I hear the sound

Crash

Ringing in my ears [crash]
I still feel the sting of my tears
Someone wake me
I can't seem to break free

[Chorus]

Go on
Get out of my head
I'm on the wrong side of a parallel universe
Am I alive or just dead
I've been stumblin' in the dark
Living in a crash world

Hush

Don't say one more word
At this point the truth seems absurd
'cause who we were
Is gone forever

Crushed

Underneath the fears
Everything's so twisted and weird
Someone save me
I can't seem to break free

[Chorus]

Go on
Get out of my head
I'm on the wrong side of a parallel universe
Am I alive or just dead
I've been stumblin' in the dark
Living in a crash world
Crash world, yeah yeah

Slow motion

Devastation
Should've seen it coming
But I couldn't do nothing
Emotion
Desperation
Someone save me
I can't seem to break free

[Chorus]
Go on
Get out of my head
I'm on the wrong side of a parallel universe
Am I alive or just dead
I've been stumblin' in the dark
Living in a crash world
[Repeat twice]
