hey now hey now!
(repeat)

Have you ever seen such a beautiful night
I could almost kiss the stars for shining so bright
when I see you smiling, I go oh,oh,oh,
I would never want to miss this
'cause in my heart I know what this is,

hey now hey now

this is what dreams are made of
hey now hey now
this is what dreams are made of
I've got somewhere I belong
I've got somebody to love
this is what dreams are made of

Have you ever wondered what life is about
You could search the world and never figure it out
you don't have to sail all the oceans no,no,no,
happieness is no mystery it here and now it you and me
yeah

hey now hey now
this is what dreams are made of
hey now hey now
this is what dreams are made of
I've got somewhere I belong
I've got somebody to love
this is what dreams are made of

open your eyes
(this is what dreams are made of)
shout to the sky
(this is what dreams are made of)

then I see you smile and I go oh,oh,oh,
yesterday my life was duller
but now everything is technical color

hey now hey now
this is what dreams are made of
hey now hey now
this is what dreams are made of
I've got somewhere I belong
I've got somebody to love

this is what dreams, dreams
this is what dreams are made of
hey now hey now
hey hey hey
hey now
hey hey hey
this is what dreams
hey now hey now
this is what dreams
what dreams are made of!
