"Fly"

Any moment
Everything can change
Feel the wind on your shoulder
For a minute
All the world can wait

Let go of your yesterday
Can you hear it calling
Can you feel it in your soul
Can you trust this longing
And take control

[chorus]:

Fly
Open up the part of you that wants to hide away
You can shine
Forget about the reasons why you can't in life
And start to try
'Cause it's your time
Time to fly

All your worries
Leave them somewhere else
Find a dream you can follow
Reach for something
When there's nothing left
And the world's feeling hollow

Can you hear it calling
Can you feel it in your soul
Can you trust this longing
And take control
Fly
Open the up part of you that wants to hide away
You can shine
Forget about the reasons why you can't in life
And start to try
'Cause it's your time
Time to fly

And when you're down and feel alone
You just wanna run away

Trust yourself and don't give up
You know you better than anyone else

In a moment
Everything can change
Feel the wind on your shoulder
For a minute
All the world can wait
Let go of yesterday

[chorus]:

Fly
Open up the part of you that wants to hide away
You can shine
Forget about the reasons why you can't in life
And start to try
'Cause it your time
Time to fly
Forget about the reasons why you can't in life
And start to try
'Cause it's your time
Time to fly
In a moment everything can change
