Wake up in the morning,  
Lookin' a little rough,  
Today I don't know who I am,  
Today that's not enough,  
So I go up to the mirror,  
Tryin' out the clothes.  
Happy, sad, good, bad,  
With every change of clothes.

And I know what you see  
Is me  
Yeah me

I'm the girl in the band,  
The world looks good from where I stand,  
You hear me, raise you hand,  
For the girl in the band.  
Let the party begin,  
I'm feeling good inside my skin,  
The world at my command, I'm the girl in the band.

Ain't no doubt about it,  
You can tell by the way I walk,  
I'm cruisin' by, head held high,  
I can talk the talk.  
One... two... three... four... oh,  
Ready or not,  
I've got to put it on the line,  
Got to show you what I've got.

And I know what you see  
Is me  
Yeah me

I'm the girl in the band,  
The world looks good from where I stand,  
You hear me, raise you hand,  
For the girl in the band.  
Let the party begin,  
I'm feeling good inside my skin,  
The world at my command, I'm the girl in the band.

(Speaking)

Hey you, get out of your seat,  
Get over yourself, get on the street.  
Hey you, get out of the cloud,  
Come down to earth,  
Get into the crowd.

And I know what you see  
Is me  
Yeah me

I'm the girl in the band,  
The world looks good from where I stand,  
You hear me, raise you hand,  
For the girl in the band.  
Let the party begin,  
I'm feeling good inside my skin,  
The world at my command, I'm the girl in the band.

I'm the girl in the band...  
You hear me raise your hand... (fade)
