(Have a nice life baby) (a nice life baby)

Have a nice life baby

I don't know why we're goin' on this way
'Cause you
Always make me feel bad
When we fight like crazy
This is not what it's all about
You and me
We can work it out
And if we can't work it out somehow
Oh

Have a nice life baby (a nice life baby)
It's not like before
So I'm out the door
Have a nice life baby (a nice life baby)
We had a good time
But it's over goodbye
Have a nice life baby

I know I might cry
A little tear or two
And boy, I would even feel sad
And miss you like crazy
I know it isn't the way we planned
But I want you to understand
If it all comes to an end
Then

Have a nice life baby (a nice life baby)
It's not like before
So I'm out the door
Have a nice life baby (a nice life baby)
We had a good time
But it's over goodbye
Have a nice life baby
I mean what I say
Just go on your way
Have a nice life baby (a nice life baby)

It's just the way it is (oh oh)
It all comes down to this (oh oh)
I'll leave you with a kiss

Don't mean to be so cold
It's just the way it goes
It's just the way it goes
(just the way it goes)

Have a nice life baby (a nice life baby)
It's not like before
So I'm out the door
Have a nice life baby (a nice life baby)
We had a good time
But it's over goodbye
Have a nice life baby (a nice life baby)
I mean what I say
Just go on your way
Have a nice life baby

Oh oh oh
A nice life baby
Oh oh oh
A nice life baby

It's just the way it is (oh oh)
It all comes down to this (oh oh)
I'll leave you with a kiss
Dont mean to be so cold
It's just the way it goes
It's just the way it goes
(Just the way it goes)

Have a nice life baby (a nice life baby)
It's not like before
So I'm out the door
Have a nice life baby (a nice life baby)
We had a good time
But it's over goodbye
Have a nice life baby
I mean what I say
Just go on your way
Have a nice life baby (a nice life baby)
Oh yeah
Have a nice life baby
