(Have a nice life baby)
Have a nice life baby

I don't know what,
was goin' on this week,
cause you,
always make her
feel bad,
And we fight like crazy,
This is not what its
all about!
you and me,
we ain't workin' out,
and if we can work it
out some how,
ooh

Have a nice life baby,
It's not like before,
So I'm not the door!
Have a nice life baby
We had a good time,
but it's over,
gooby!
Have a nice life baby

I know i might cry,
a little tear or two,
And boy,
I would even feel sad,
And miss you like crazy,
I know it isn't
the way we planned,
But I want you to understand,
If it all comes to an end,
Then,

Have a nice life baby,
it's not like before
so I'm not the door!
Have a nice life baby,
we had a good time,

but it's over,
goodbye!
Have a nice life baby!
I mean what I say,
so go on your way,
Have a nice life baby

It's just the way it is,
And it all comes down to this,
I'll leave you with the king!
He needs a visa card,
It's just the way it goes,
It's just the way it goes!
(It's just the way it goes)

Have a nice life baby!
It's not like before,
so I'm out the door!
Have a nice life baby
We had good time,
but it's over,
goodbye!
Have a nice life baby!
I mean what i say,
so go on your way,
Have a nice life baby

(oh oooh oh.....)
A nice life baby
(oh oooh oh.....)
A nice life baby!

It's just the way it is!
It all comes down to this,
I'll leave you with the king!
He needs a visa card,
