hey now
hey now

hey now
hey now

have you ever seen such a beautiful night
i could almost kiss the stars for shining so bright
when i see you smiling i go uh oh oh

i would never want to miss this
cause in my heart i know what this is

hey now hey now this is what dreams are made of
hey now hey now this is what dreams are made of

i've got somewhere i belong
i've got somebody to love
this is what dreams are made of

have you ever wondered what life is about
you could search the world and never figure it out
you dont have to sail the oceans uh no no

happyness is no mystery
it's here and now it's you and me

hey now hey now this is what dremas are made of
hey now hey now this is what dreams are made of

i've got somewhere i belong
i've got somebody to love
this is what dreams are made of

open your eyes(this is what dreams are made of)
shout to the sky(this is what dreams are made of)
when i see you smiling i go uh oh oh
yesterday my life was life was color
now everything's technocolored

hey now hey now this is what dreams are made of

hey now hey now this is what dreams are made of

i've got somewhere i belong

i've got somebody to love

this is what dreams are made of
