Verse 1:

I hold you close to me  
When You left I couldn't breathe  
I felt replaced when you were with her  
I felt left out when you didn't call back

I'm sorry I'm so attached  
I just want you back (so bad, so bad)  
I loved you  
You loved me too  
But now its over, you say  
But with me thats not Okay...

Chorus:

'Cause I'm still in love with you  
Spilling out the truth wishing that we were together  
Putting ice cubes down her shirt  
I know I was a jerk  
But did you think I was going to let it slide  
When you kissed her  
Did you think I was going to let you slide  
Without me being there  
Did you  
Did you  
Did you...  
Think I was going to let go of you

Verse 2:

Yes I do  
Yes I do  
Yes I do...have a grudge against her  
No I don't  
No I don't  
No I don't...wanna talk to her

I'm sorry I'm so attached  
I just want you back (so bad, so bad)  
I loved you  
You loved me too  
But now its over, you say  
But with me thats not Okay... (CHORUS)

Verse 3:  
Not letting go of you  
Not letting you take control  
Gonna stay behind my own wheel  
You can drive your own life  
I can interfere yours  
But don't you dare  
Don't you dare  
Interfere with mine

You're wrapped around  
Wrapped around  
Wrapped around my finger  
You're losing her  
You're losing me  
What's up with that  
Oh baby!  
Uh, come get some! (CHORUS)

Verse 4:  
Not letting go of you  
Letting go  
Letting go  
Letting go  
of you
