I won't tell you what I'm thinkin'
Coz it's not the same thing you're thinking too
You could say I've gt a best friend
But she's always tellin' me what to do
She's out of sight but easy to find
She's on the front of my mind
The little voice in my head wouldn't let me forget
The little voice in my head is never misled
All of the noise is what keeps me from makin' a mess
The little voice in my head just won't let me get with you
La la la la la la la la la la
La la la la la la la la la la
When I see you I admit
I start to lose my grip
And all of my cool
You smell so sweet just like my perfume
What have you been doin' since I left you
You're always there
In my thoughts
But that doesn't mean that it's on
The little voice in my head wouldn't let me forget
The little voice in my head is never misled
All of this noise is wat keeps me from making a mess
The little voice in my head just won't let me get with you
La la la la la la la la la la
La la la la la la la la la la
I know I sound insane
Like I'm playing games
When all I really want is you
But there's some things that son't want you
Who Oh
The little voice
The little voice
The little voice in my head wouldn't let me forget
The little voice in my head is never misled
All of this noise is what keeps me from making a mess
Just won't let me get with you
La la la la la la la la la la
La la la la la la la la la la
La la la la la la la la la la
La la la la la la la la la la
