I won't tell u what i'm thinking
cuz it's not the same thing you're thinking to
You could say I got a Best Friend
And she's Always telling me what to do
She's Out of Sight
Easy To find
She's in the thoughts of my mind

The little Voice in my head won't let me forget
The little Voice in my head is never mislead
All of this Noise is what keeps me from making a mess
The little voice in my head just won't let me get with you

Lalala lalala lalala la la Lalala lalala lalala la

The little Voice in my head is never mislead
All of this Noise is what keeps me from making a mess
The little voice in my head just won't let me get with you

Lalala lalala lalala la la Lalala lalala lalala la

Like i'm playing games
Cuz all i really want is you

the little voice.....

The little Voice in my head won't let me forget
The little Voice in my head is never mislead
All of this Noise is what keeps me from making a mess
The little voice in my head just won't let me get with you
