La, la, la, la, la, la, la, la

[Hilary]

Some boys kiss me, some boys hug me
I think they're o.k.
If they don't give me proper credit
I just walk away

They can beg and they can plead
But they can't see the light
'Cause the boy with the cold hard cash
Is always mister right,

[Both]

'Cause we are
Living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl

[Haylie]

Some boys romance, some boys slow dance
That's all right with me (That's all right with me)
If they can't raise my interest then i
Have to let them be

Some boys try and some boys lie but
I don't let them play
Only boys who save their pennies
Make my rainy day

[Both]

'Cause they are
Living in a material world

And I am a material girl
You know that we are living in a material world
And I am a material girl

Living in a material world

And I am a material girl
You know that we are living in a material world
And I am a material girl

Living in a material world (material)
Living in a material world
Living in a material world (material)
Living in a material world

[Hilary]
Boys may come and boys may go
And that's all right you see

[Haylie]
Experience has made me rich
And now they're after me,

'Cause everybody's
Living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl

La, la, la, la, la, la, la, la

A material, a material, a material, a material world

La, la, la, la, la, la, la, la
