All the kings horses
Wouldn't make me believe
Even when the walls come crashing down
You still will never be
A rebel without a cause
A rebel to the first degree
Why don't you stop trying so hard?
'cause there's no man, man enough to be

Chorus:
Another James Dean?
You're nothing like him
So don't call me friend
'cause your nothing like me
Even when the world stops turning
There will never be another James Dean

All the faces you're making
Save it for the scene
All the people you're faking
Why was it only me?
I saw right into your eyes

And you're not just so deep
I've had too many cries
Mr. Prince Charming?
Sorry, you could never be

Chorus:
Another James Dean?
You're nothing like him
So don't call me friend
'cause your nothing like me
Even when the world stops turning
There will never be another James Dean

Now you move to the next set
next town
Have fun baby
I'm taking back my world
here we are face to face same energy
you and me don't wanna be enemies
