Im never bored when im with u
we're pal we're buddies through an through
i wish i knew what to buy for u
on your birthday

Our friendship goes against the grain
ive seen u swell up in the rain
i saw u didnt see your pain
was it termites?

Its never hard to talk to u
though u stop me with your silence
i feel so naughty hiding here
for your happy face is guidance

My Best Freind Plank
My Best Friend Plank
My Best Friend Plank

Sitting the so silently
what could u be thinking
your not saying i wont ask
is that sealent that youre drinking?

Man youre hammered nailed u pal
Al Gores wifes name is tipper
I knew wed be best friends for life
when i save u from that chipper

My Best Friend Plank
My Best Friend Plank
My Best Friend Plank

oooh Plank count the rings, count the rings
oooh Plank count the rings'count the rings

I walk on the 7 seas
but sawdust always makes me wheeze
i net your mom and dad the trees
but please dont get Dutch elm disease
