People, people, people, people
People try to put us down,
(talking bout my generation)
Just because we get around,
(talking 'bout my generation)
Things they do look awful cold,
(talking 'bout my generation)
Hope i die before I get old,
(talking 'bout my generaton)

Chorus
My generation, my generation baby,

Why don't you all fade away,
(Talking 'bout my generaton)
Don't try to dig where we all stand,
(Talking 'bout my generaton)
I'm not trying to cause the big sensation,
(talking 'bout my generation)
Talking about my generation,
(talking 'bout my generation)

Chorus
My generation, my generation baby,
My generation,

Why don't you all fade away,
(talking 'bout my generaton)
Don't try to dig where we all stand,
(talking 'bout my generaton)
I'm not trying to cause the big sensation,
(talking 'bout my generation)
Talking about my generation,
(talking 'bout my generation)

Chorus
My generation, my generation baby,
My generation,my generation baby,

People try to put us down,
(talking 'bout my generation)
Just because we get around,

(talking 'bout my generation)
Things they do look awful cold,
(talking 'bout my generation)
Hope i die before i get old,
(talking 'bout my generaton)

Chorus

My generation, my generation baby,
My generation, my generation baby,
My generation, my generation baby,
My generation, my generation baby,

People try to put us down.
