[Verse 1]

I'm wearin' a disguise,
I'm just your average jane
A super devastatng model,
But that doesn't mean I'm plain
If all you see is how I look,
You missed the superchic thing,
And I christen you Titanic,
Under an estimated swim

I've got the rightful, gonna be myself
I've got the rightful, gonna be myself
I've got the rightful, gonna be myself
I've got the rightful, gonna be myself

[Chorus]

And I'll be everything,
That I Oh! wanna be
I am con-fi-den-tsy
insecurity
I am a voice,
Yet waiting
To be heard
I'll shoot the shot
BANG!
The junior of the world

And I'm a one girl revoulution,
I'm a one girl revoulution,
I'm a one girl revouluuuution

[Verse 2]

Some people see the revoulution,
But must only see the girl,
I can lose my hearted freedom,
If my fear defines my world
I declare my Independence,
From the critics and the stones,
I can find my revoulution
And I can learn to stand alone

[Chorus]
And I'll be everything,
That I Oh! wanna be
I am con-fi-den-tsy
Insecurity
I am a voice
Yet waiting to be heard,
I'll shoot the shot
BANG!
The junior of the world

And I'm a one girl revoulution
I'm a one girl revoulution
I'm a one girl revouluuuution

And I'm a one girl revoulution
I'm a one girl revoulution
And I'm a one girl Revoulution

[Chorus x2 on 2nd time, no
