I found myself today

Oh I found myself and ran away

But something pulled me back

A voice of reason I forgot I had

All I know is you're not here to say

What you always used to say

But it's written in the sky tonight

Chorus:

So I won't give up

No I won't break down

Sooner than it seems life turns around

And I will be strong

Even if it all goes wrong

When I'm standing in the dark I'll still believe

Someone's watching over me

I've seen that ray of light

And it's shining on my destiny

shining all the time

And I won't be afraid

To follow everywhere it's taking me

All I know is yesterday is gone

And right now I belong

To this moment

To my dreams

Chorus:

So I won't give up

No I won't break down

Sooner than it seems life turns around

And I will be strong

Even if it all goes wrong

When I'm standing in the dark I'll still believe

Someone's watching over me

It doesn't matter what people say

And it doesn't matter how long it takes

Believe in yourself and you'll fly high

It only matters how true you are

Be true to yourself and follow your heart

Chorus:

So I won't give up

No I won't break down

Sooner than it seems life turns around

And I will be strong

Even if it all goes wrong

When I'm standing in the dark I'll still believe

Someone's watching over me
