I wake up
every morning
thinking I'm gonna
Get you back...

Its nice..
To Dream
but i'm dreaming of something
Un-real

Ohh...

Sometimes
I wish I could Get away From here
Sometimes
I wish you were neer
and i'm missing you...
sometimes i ...
Don't know what to do
then sit... and think of You

I sit.. alone
wondering
If your thinking of me..
Then i snap back..
to reality
And know..
theres something i should see
and its that you dont need me

Sometimes
I wish I could Get away From here
Sometimes
I wish you were neer
and i'm missing you...
sometimes i ...
Don't know what to do
then sit... and think of You

Sometimes
I wish I could Get away From here

Sometimes
I wish you were neer
and i'm missing you...
sometimes i ...
Don't know what to do
then sit... and think of You
