You can change your life  
(if you wanna)  
You can change your clothes  
(if you wanna)  
You can change your mind  
Well thats the way it goes

But Im gonna keep your jeans  
And youre old black hat  
(cause I wanna)  
they look good on me  
Youre never gonna get them back

At least not today  
Not today  
Not today

(chorus)  
Cause  
If its over  
let it go and  
Come tomorrow it will seem  
So yesterday  
So yesterday  
Im just a bird thats already flown away  
laugh it off  
let it go and  
when you wake  
it will seem  
so yesterday  
so yesterday  
Havent you heard that Im gonna be ok?  
Ha!  
Okkkk

You can say youre bored  
(if you wanna)  
You can act real tough  
(if you wanna)  
You can say youre torn  
But Ive heard enough

Thank you  
You made my mind up for me  
When you started to ignore me  
You wont see a single tear  
It isnt gonna happen here

At least not today  
Not today  
Not today

(chorus)  
Cause  
If its over  
let it go and  
Come tomorrow it will seem  
So yesterday  
So yesterday  
Im just a bird thats already flown away  
laugh it off  
let it go and  
when you wake  
it will seem  
so yesterday  
so yesterday  
Havent you heard that Im gonna be ok?

If youre over me  
Im already over you  
If its all been done  
What is left to do?  
How can you hang up  
If the line is dead?  
If you wanna walk  
Im a step ahead  
If youre moving on  
Im already gone  
If the light is off  
Then it isnt on

At least not today  
Not today  
Not today

Cause  
If its over  
let it go and  
Come tomorrow it
