You can change your life , if you wanted  
You can change your face , if you wanted  
you can change your mind , well thats the way it goes!

But i am gonna keep your jeans and your old black hat,  
cuz i want them  
they look good on me,  
your never gonna get them back!

At least not today, not today, not today!

(chorus)  
cuz if its over let it go and come tomorrow  
we will see so yesterday, so yesterday!  
I am just a bird thats already flown away!  
Laugh it off and let it go and when you wake up we will  
see!  
So yesterday, so yesterday!  
Havent you heard that i am gonna be okay?

huh. okay

you could say your bored, if you wanna  
you could say act real tough, if you wanna  
you could say your torn, but i've heard enough

Thank you!

you have made my mind up for me,  
when you started to ignore me!  
You wont see a single tear,  
it isnt gonna happen hear!

At least not today, not today, not today!

(Chorus)

If your over me i am already over you,  
if its all been done, what is left to do?  
how can you hang up if the line is dead?  
if you wanna walk out a step ahead,

if you movin on i am already gone!  
if the light is off then it isnt gone!

At least not today, not today, not today!

(chorus)times2
