Whooooo

Verse 1: It's one day, one love, you need somebody  
there

To be with yoooooooo!!! There's somebody out in the  
sun

In the morning waiting for some fun....

Let's jump all around!!

Chorus: Stand Out and join the crowd

You need a lot more than loud

It takes more than one to have some fun

Ooooh yeah, let's stand out!

Verse 2: You care about all th destiny's comin' through

To you, but really you're just sad. There's nothing to be  
sad

When you have upside doooooooooown....

Chorus: Stand Out and join the crowd

You need a lot more than loud

Oh, it takes more one to have some fun

Ooooh yeah, let's stand oooooout...

Verse 3: There's nothin' more

Than keepin' a score,

High above the clouds, so let's reach

And reach and reach.....

Chorus: Stand Out (Stand) and join the crowd

You need a lot more than loud

Aah yeah, it takes more than one to have fuuun

Oh yeah, yeah let's stand oooooooooooooout.....

(one more time for chorus)
