ooooh

can you feel me when i think about you?
with every breath i take
every minute, no matter what i do
my world is an empty place

like i've been wonderin' the desert
for a thousand days
don't know if it's a mirage
but i always see your face, baby

i'm missing you so much
can't help it, i'm in love
a day without you is like a year without rain
i need you by my side
don't know how i'll survive
a day without you is like a year without rain
ohhohoh, wooaaaahh woaahh
the stars are burning
i hear your voice in my mind
can't you hear me calling
my heart is yearning
like the ocean that's running dry
catch me i'm falling

it's like the ground is crumbling underneath my feet
(won't you save me)
there's gonna be a monsoon
when you get back to me
ohhh baby
i'm missing you so much
can't help it, i'm in love
a day without you is like a year without rain
i need you by my side
don't know how i'll survive
a day without you is like a year without rain
ohhohoh, wooaaaahh woaahh ou
so let this drought come to an end
and make this desert flower again
i'm so glad you found me
stick around me
baby, baby, baby, oh

it's a world of wonder with you in my life
so hurry baby
don't waste no more time
and i need you here
i can't explain
the day without you
is like a year without rain
ohhohoh

i'm missing you so much
can't help it, i'm in love
a day without you is like a year without rain
i need you by my side
don't know how i'll survive
a day without you is like a year without rain
ohhohoh, wooaaaahh woaahh
ooohh, ooooouhh
