Nobody believes me
When I tell them that you're out of your mind
Nobody believes me
When I tell them that there's so much you hide

You treat me like a queen when we go out
Wanna show everyone what our love's about
All wrapped up in me whenever there is a crowd
But when no one's around

There's no kindness in your eyes
The way you look at me, it's just not right
I can tell what's going on this time
There's a stranger in my life

You're not the person that I once knew
Are you scared to let 'em know it's you?
If they could only see you like I do
Then they would see a stranger too

Did I ever do anything that was this cruel to you?
Did I ever make you wonder who was standing in the
room?

You made yourself look perfect in every way
So when this goes down, I'm the one who will be
blamed
Your plan is working so you can just walk away
Baby your secret's safe

There's no kindness in your eyes
The way you look at me, it's just not right
I can tell what's going on this time
There's a stranger in my life

You're not the person that I once knew
Are you scared to let 'em know it's you?
If they could only see you like I do
Then they would see a stranger too

Such a long way back
From this place that we are at

When I think of all the time I've wasted
I could cry

There's no kindness in your eyes
The way you look at me, it's just not right
I can tell what's going on this time
There's a stranger in my life

You're not the person that I once knew
Are you scared to let 'em know it's you?
If they could only see you like I do
Then they would see a stranger too

There's no kindness in your eyes
The way you look at me, it's just not right
I can tell what's going on this time
There's a stranger in my life

You're not the person that I once knew
Are you scared to let 'em know it's you?
If they could only see you like I do
Then they would see a stranger too
