Today I'm gonna ride away and feel the sun throughout
my hair
Finally free to be who I want to be who that is I don't
really care
'Cuz I've got friends who love me, blue skies are above
me
My blonde hair is everywhere

Sweet sixteen
Gonna spread my wings
Sweet sixteen
It's my chance to shine
Sweet sixteen
Discovering
Sweet sixteen
So much more to life
Sweet sixteen

Drivin' down to the club where we go to dance
Radio's blastin' and the top is down
There ain't nothing in my way except the traffic of L.A.
And I've got friends who love me bright stars shine
above me
My blonde hair is everywhere

Sweet sixteen
Gonna spread my wings
Sweet sixteen
It's my chance to shine
Sweet sixteen
Discovering
Sweet sixteen
So much more to life
Sweet sixteen

Mama loves me and a sister who shows me
And Daddy's always there, yeah yeah yeah

Sweet sixteen
Gonna spread my wings
Sweet sixteen
It's my chance to shine

Sweet sixteen
Discovering
Sweet sixteen
So much more to life
Sweet sixteen

I want to know what it feels like
I need to see it from the inside
I can taste a bit of what I will find
So much more to life
Sweet sixteen

I want to know what it feels like
I need to see it from the inside
I can taste a bit of what I will find
So much more to life
Sweet sixteen
