(feat. Lil' Romeo)

[Lil' Romeo:]

Yo Hilary it's Romeo
And you know what where gonna make 'em dance this
Christmas
Left... right... now shake (tell me)
What, what you want (tell me)
Uh hu (tell me)
Yeah (tell me)

[Hilary:]

Tell me a story
I believe, oh I believe
All things are possible on Christmas Eve

[Lil' Romeo:]

OK... OK
It was a night before Christmas
and all through the house
not a creature was stirring
not even a mouse
the stockings was hung
by the chimney with care
with hopes that St. Nick soon would be there
me and my sisters and brothers getting ready for bed
Can't wait to get toys for all the break bread
Mom's in her P. Miller jammies and pop's silk
and pops still
Santa coming eating the cookies and milk

[Hilary:]

Tell me a story
I believe, oh I believe
All things are possible on Christmas Eve
Every time I hear that rhyme
I love it even more
Tell me a story
About the night before

[Lil' Romeo:]

Could it be a dream?

I think I heard a noise
jumped out of bed
it's the no limit boys
I ran to the window
Creak creak
Bright red shining the new Hum-V
snow in the south hmmm that's kinda silly
Is it Santa Claus or is it my uncle Willy?
know hea we play games but this one feels weird
when I see 8 shiny reindeer
'bout to come and get me
come on

[Hilary:]
Tell me a story

[Lil' Romeo:]
OK
you wanna know
check it out
Now Santa
called them by name
Dasher, dancer, prancer

and they all came
vixen, comet, cupid eyes drooping
low ears they look's like they snooping
can't forget donder and blit's
3 kings
they carrying the gifts

[Hilary:]
t-t-t-t-tell me a
I believe, oh I believe
All things are possible on Christmas Eve

[Lil' Romeo:]
wish for it, you just might get it

Every time I hear that rhyme
I love it even more
Tell me a story
About the night before

[Lil' Romeo:]
wish for it, you just might get it

I couldn't believe they were flying so high
to the moon and the stars and the lonely sky
they went up and around
and sung as they flew

with the sleigh and the toys
and Saint Nicholas too

[Lil' Romeo:]

ain't about the gifts
but I'm glad Santa came
thanks for the video games and the bling-bling
my lil' sister 'n' brothers got bikes 'n' trains
I'm just glad for the love it brings
so you better not shout
you better not pout
yall know what I'm talkin' about
merry Christmas to all
and have a good night
yo Hilary bring the cords and lights

[Hilary:]

Tell me a story
Tell me a story

[Lil' Romeo:]

Wish for it, you just might get it

[Instrumental Break]

[Hilary:]

Tell me a story
I believe, oh I believe
All things are possible on Christmas Eve
Every time I hear that rhyme
I love it even more
Tell me a story
About the night before

[Lil' Romeo:]

Wish for it, you just might get it

[Hilary:]

Tell me a story
