There is no one else like I can say this to
And there is nothing better than to talk to you
If you have a problem, I'll be here for you
'cause girl you always know that
it's us against the world

I met someone the other night
Someone I really started to like
How will I know if he's right for me
I wonder if we are meant to be
Don't start to like him too much
too soon

(Chorus)

You know that boy I started to see
He thinks he can have it all for free
I wonder if he's the one for me
I try to talk to my self and to see
Don't start to like him too much
too soon

(Chorus 2x)

Whenever you're near there is no fear
It feels like there's nothing I can't do
You make me feel strong
'cause it's with you that I belong

(Chorus)

(Pre-chorus)
There ain't nobody else but you
that makes me feel the way that I do
There ain't nobody else but you
(It's us now)
It's us against the world

(Chorus)

(Chorus and pre-chorus)
