There's people talking  
They talk about me  
They know my name  
They think they know everything  
But they don't know anything  
About me

Give me a dance floor  
Give me a dj  
Play me a record  
Forget what they say  
Cause I need to go  
Need to getaway tonight

I put my makeup on a saturday night  
I try and make it happen  
Try to make it all right  
I know I make mistakes  
I'm living life day to day  
It's never really easy but it's ok

Wake Up Wake Up  
On a saturday night  
Could be New York  
Maybe Hollywood and Vine  
London, Paris maybe Tokyo  
There's something going on anywhere I go  
Tonight  
Tonight  
Yeah, tonight

The cities restless  
It's all around me  
People in motion  
Sick of all the same routines  
And they need to go  
They need to get away  
Tonight

I put my makeup on a saturday night  
I try and make it happen  
Try to make it all right

I know I make mistakes  
I'm living life day to day  
It's never really easy but it's ok

Wake Up Wake Up  
On a saturday night  
Could be New York  
Maybe Hollywood and Vine  
London, Paris maybe Tokyo  
There's something going on anywhere I go  
Tonight  
Tonight  
Yeah, tonight

People all around you  
Everywhere that you go  
People all around you  
They don't really know you  
Everybody watching like it's some kind of show  
Everybody's watching  
They don't really know you now  
(They don't really know you)  
(They don't really know you)  
And forever

Wake Up Wake Up  
On a saturday night  
Could be New York  
Maybe Hollywood and Vine  
London, Paris maybe Tokyo  
There's something going on anywhere I go

Wake Up Wake Up  
On a saturday night  
Could be New York  
Maybe Hollywood and Vine  
London, Paris maybe Tokyo  
There's something going on anywhere  
I go  
Tonight  
Tonight  
Yeah, tonight
