You think you're going no where
When you're walkin down the street
Acting like you just don't care
That life could be so sweet

Why you have to be like that?
Is if theres nothing new
You're not foolin no one,
You're not even foolin you

So walk a little slower
And open up your eyes
Sometimes it's so hard to see
The good things passin by
There may never be a sign
Flashin in the line
Telling you to make your move
Or when the Time is right

So...

(Chorus)

Why Not...(why not)
Take a crazy chance
Why Not...(why not)
Do a crazy dance

If you lose the moment
You might lose a lot
So...
Why Not (why not)

Why Not take a crazy chance?
Why Not take a crazy chance?

You always dress in yellow
When you want to dress in gold
Instead of listening to your heart
You do just what you're told
You keep waitin where you are

But whatcha never know
Lets just get into your car
And go baby Go

So...

(Chorus)

Why Not...(why not)
Take a crazy chance
Why Not...(why not)
Do a crazy dance

If you lose the moment
You might lose a lot
So...
Why Not (why not)

Ohhhhh,
I could be the one for you
Ohhhhh ya,
Maybe yes, Maybe no
Ohhhhh,
This could be the thing to do
What i'm sayin is you gotta let me know, ohh

You'll never get to heaven
Or even to LA
If you don't believe theres a way

Why Not...
Take a soul from the sky
Why Not...
Spread your wings and fly

It might take a little
And it might take a lot
But...
Why Not
Why Not
-acapo
