[Yani:]

Have you ever seen such a beautiful night?

[Hilary:]

I could almost kiss the stars for shining so bright

[Yani:]

When I see you smiling I go, oh, oh, oh

[Hilary:]

I would never want to miss this

[Yani:]

In my heart I know what this is

[Hilary:]

This is what dreams are made of

[Yani:]

This is what dreams are made of

[Hilary:]

I've got

[Yani & Hilary:]

Somewhere I belong

[Hilary:]

I've got

[Yani & Hilary:]

Somebody to love

[Hilary:]

This is what dreams are made of
