Hey now, Hey now,  
Hey now, Hey now

Have you ever seen such a beautiful night?  
I could almost kiss the stars,  
for shinning so bright,  
when I see you smiling I go,  
Oh oh oh

I would never want to miss this,  
'cause in my heart I know what this is

Chorus;  
Hey now, hey now,  
this is what dreams are made of,  
Hey now, hey now,  
this is what dreams are made of,  
I've got somewhere I belong,  
I've got somebody to love,  
This is what dreams are made of.

Have you ever wondered what life is about?  
You could search the world and never figure it out,  
You dont have to sail the oceans,  
No, no, no,

Happiness is no mistery and,  
Here and now,  
is you and me...

Chorus  
Hey now, hey now,  
This is what dreams are made of,  
Hey now, hey now,  
This is what dreams are made of,  
I've got somewhere I belong,  
I've got somebody to love,  
This is what dreams are made of

Bridge  
Open your eyes,

Shout to the sky,

Then I see your smile and I go,  
Oh, oh, oh,  
Yesturday my life was duller,  
Now everything's turning in colors,

Hey now, hey now,  
This is what dreams are made of,  
Hey now, hey now,  
This is what dreams are made of,  
I've got somewhere I belong,  
I've got somebody to love,  
This is what dreams,  
Dreams,  
This is what dreams are made of...

hey, hey, hey, hey  
(Hey now, this is what dreams)  
what dreams,  
( What dreams are made of)
