hey now
hey now

have u ever seen such a beautiful night
i could almost kiss the stars for shining so bright
then i see you smiling
so i go,
oh oh oh
i would never want to miss this
cus, in my heart i know what this is

hey now, hey now
this is what dreams are made of
hey now hey now
this is what dreams are made of
i've got somewhere i belong
i've got somebody to love
this is what dreams are made of(repeat)

have u ever wondered what life was about
you could search the world and never figure it out
you dont have to sail the oceans
no no no
happiness is no mystery
its here and now
its you and me

hey now, hey now
this is what dreams are made of
hey now hey now
this is what dreams are made of
i've got somewhere i belong
i've got somebody to love
this is what dreams are made of(repeat)

open your eyes
this is what dreams are made of
shout to the skys
this is what dreams are made of

then i see you smiling

so i go,
oh oh oh
yesterday my life was duller
now my lifes taking color

hey now, hey now
this is what dreams are made of
hey now hey now
this is what dreams are made of
i've got somewhere i belong
i've got somebody to love
this is what dreams (x2) are made of(repeat)

hey now hey now (repeat)
