[Girl:]

simply having a wonderful christmas time

[Choir:]

a wonderful christmas time
(wonderful christmas time)
a wonderful christmas time
(wonderful christmas time)

[Hilary:]

Mood is right
Spirits up
we're here tonight
and thats enough

Simply having a wonderful christmas time
Simply having a wonderful christmas time

The party's on
The feeling here
It's all because
It's time of year

Simply having a wonderful christmas time
Simply having a wonderful christmas time

[Choir:]

a wonderful christmas time
(a wonderful christmas time)
a wonderful christmas time
(a wonderful christmas time)

[Hilary:]

The choir of children sing their song

[Choir:]

Ding Dong
Ding Dong
Ding dong

ding dong

[Hilary:]

They practice all night long

[Choir:]

Ding Dong

Ding Dong

Ding dong

ding dong

[Hilary:]

the word is out

about the town

to lick your glass

I dont doubt

Simply having a wonderful christmas time

simply having a wonderful christmas time

Mood is right

Spirits up

we're here tonight

and thats enough

Simply having a wonderful christmas time

simply having a wonderful christmas time

Simply having a wonderful christmas time

simply having a wonderful christmas time

[Choir:]

simply having a wonderful christmas time

[Hilary:]

Simply having a wonderful christmas time

[Choir:]

Simply having a wonderful christmas time

[laughing]
