Can you hear them?  
They talk about us  
Telling lies  
Well, that's no surprise

Can you see them?  
See right through them  
They have no shield  
No secrets to reveal

It doesn't matter what they say  
In the jealous games people play  
Hey, hey, hey  
Our lips are sealed

There's a weapon  
Which we must use  
In our defense silence

Spreading rumors  
So far from true  
Dragged up from the underworld  
Just like some precious pearl

It doesn't matter what they say  
In the jealous games people play  
Hey, hey, hey  
Our lips are sealed

Pay no mind to what they say  
It doesn't matter anyway  
Our lips are sealed

Hush my darlin'  
Don't you cry  
Cryin' angels  
Forget their lies

It doesn't matter what they say  
In the jealous games people play  
Hey, hey, hey  
Our lips are sealed

Pay no mind to what they say  
It doesn't matter anyway  
Hey, hey, hey

Our lips are sealed  
Our lips are sealed  
Our lips are sealed
