All around the world
Hey girl, hey girl, hey girl
Zippers & your pearls, hey girl
When I walk thru the door I'm a debutante
When I come thru the door I'm a debutante

The jet is freaking, the guest list is peakin'
We jet to Ibiza , the people are shrieking
The world kids are cravin' a ravin' invasion
I come from the future of next school new wavin'
NY is so fly , my high rise is so high
The height of my high style comes right from the
turnstile

All around the world
Hey girl, hey girl, hey girl
Zippers & your pearls, hey girl
When I walk through the door I'm a debutante
When I come through the door I'm a debutante

The comic guru otaku, Tokyo
DJ come DJ go,. elevate electro ,
London is burning turntables are turning
Nightclubs are discerning my lust is returning,Â...
