Lets go back
Back to the beginning
Back to when the earth the sun the stars all aligned
Cause different didnt feel so different
And i found out that heading in the circle was no life
I had to find

[Chorus]

Let the rain fall down and wake my dreams
Let it wash away my sainty
Cause i wanna feel the thunder i wanna scream
Let the rain fall down im coming clean
Im coming clean
Im coming clean

Im sheading
Shheading every color
Tryna find a pigment of truth beneath my skin
Cause perfect didnt feel so perfect
And i dont know
But it seems like going out
Is always better then staying in
When it rains

[Chorus]

Let the rain fall down
And wake my dreams let it wash away my sanity
Cause i wanna feel the thunder i wanna scream
Let the rain fall down
Im coming clean

Im coming clean
Im coming clean
Let the rain fall
Let the rain fall

Let the rain fall....
Im coming...

Let the rain fall down and wake my dreams
Let it wash away my sanity
Cause i wanna feel the thunder i wanna scream

Let the rain fall down
Im coming clean

Lets go back
Back to the beginning
