In a moment everything can change  
Feel the wind on your shoulder  
For a minute all the world can wait  
Let go of your yesterday

Can you hear it calling?  
Can you feel it in your soul?  
Can you trust this longing and take control?

[CHORUS]

Fly  
Open up the part of you that wants to hide away  
You can shine  
Forget about the reasons why you can't in life  
And start to try  
'Cause it's your time  
Time to fly

All your worries, leave them somewhere else  
Find a dream you can follow  
Reach for something when there's nothing left  
And the world's feeling hollow

Can you hear it calling?  
Can you feel it in your soul?  
Can you trust this longing and take control?

[CHORUS]

Fly  
Open up the part of you that wants to hide away  
You can shine  
Forget about the reasons why you can't in life  
And start to try  
'Cause it's your time  
Time to fly

And when you're down and feel alone,  
Just want to run away  
Trust yourself and don't give up  
You know you better than anyone else

In a moment everything can change

Feel the wind on your shoulder  
For a minute all the world can wait  
Let go of yesterday

[CHORUS]

Fly  
Open up the part of you that wants to hide away  
You can shine  
Forget about the reasons why you can't in life  
And start to try  
Fly  
Forget about the reasons why you can't in life  
And start to try  
'cause it's your time  
Time to fly

In a moment, everything can change
