Hiding Away
Losing the day
As if it doesn't really matter
Saying Goodbye
Scared to say why
Afraid it will shatter our world
Show me some faith now
Trust me somehow

Why are we keeping our secrets
Why are we hiding ourselves away
Anyway we can hide away
I don't wanna fake it
I wanna make you believe, what I say
I won't let you...hide away
Where do we go
How do we know
What we're ever really after
Sometimes it's clear
When you are here
Nothing can shatter our world
I need some faith now
To trust you somehow

Why are we keeping our secrets
Why are we hiding ourselves away
Anyway we can hide away
I don't wanna fake it
I wanna make you believe, what I say
I won't let you...hide away

Maybe I, maybe I, maybe I'm losin'
And maybe I, maybe I, maybe I'm okay
We turn around, look around, go around in circles
Don't run away, drift away, don't hide away

Why are we keeping our secrets
Why are we hiding ourselves away
Anyway we can hide away
I don't wanna fake it
I wanna make you believe what I say
Ohh What I say, believe what I say

I won't let you hide away, hide away

Hiding away, losin' the day
As if it doesn't really matter
