(feat. Haylie Duff)

La, la, la, la, la, la, la

[Hilary]

Some boys kiss me, some boys hug me
I think they're o.k.
If they don't give me proper credit
I just walk away(i just walk away)

They can beg and they can plead
But they can't see the light(see the light)
'Cause the boy with the cold hard cash
Is always mister right,

[Both]

'Cause we are
Living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl

[Haylie]

Some boys romance, some boys slow dance
That's all right with me (That's all right with me)
If they can't raise my interest then i
Have to let them be

Some boys try and some boys lie
But I don't let them play
Only boys that save their pennies
Make my rainy day

[Both]

'Cause they are
Living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl

Living in a material world
And I am a material girl

You know that we are living in a material world
And I am a material girl

Living in a material world (material)
Living in a material world
Living in a material world (material)
Living in a material world

[Hilary]
Boys may come and boys may go
And that's all right you see

[Haylie]
Experience has made me rich
And now they're after me,

'Cause everybody's
Living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl

La, la, la, la, la, la, la, la

A material, a material, a material, a material world

La, la, la, la, la, la, la, la
