You better  
Watch out  
You better not cry,  
You better not pout I'm tellin' you why,  
Santa Claus is coming to town,  
He's making a list checkin it twice,  
He's gonna find out whos naughty or nice,  
Santa Claus is coming to town  
The boys and girls in toyland will have a new physiqe  
There gonna build a toy land all around  
The christmas tree.  
You better watch out you better  
Not cry you better not pout I'm tellin' you why  
Sants Claus is coming to town  
Santa Claus is coming  
Santa Claus is coming  
He's coming to town
