Today I'm gonna ride away
To feel the sun
Throughout my hair
Finally free to be Who I want to be
Who that is I don't really care,
Cuz I've got friends who love me
Blue skies are above me
My blonde hair is everywhere

CHORUS

Sweet sixteen
Gonna spread my wings
Sweet sixteen
It's my chance to shine
Sweet sixteen
Discovering
Sweet sixteen
So much more in life
Sweet Sixteen

Drivin' down to the club
Where we go to dance
Radio's blastin' and the top is down
There ain't nothing in my way
Except the traffic of L.A
And I've got friends who love me
Bright stars shine above me
My blonde hair is everywhere
CHORUS

Mama loves me and a
Sister who shows me
And Daddy's always there
Yeeeeeahhh

CHORUS

I want to know what it feels like
I need to see it from the inside
I can taste a bit of what I will find
So much more to life
X2

Sweet sixteen
