You act like you don't know me {You Think you're going  
nowhere}  
When you see me on the street {When you're walking  
down the street}  
Yo're makin' like I turn you off {Acting like you just  
don't care}  
When I know you think I'm sweet {When life could be so  
sweet}

It don't have to be like that {Why you wanna be like  
that}  
I guess you're insecure {As if there's nothing new}  
If you say what's on your mind {You're not fooling no  
one}  
I might answer "Sure" {You're not even fooling you}

So I walk a little slower {So walk a little slower}  
And I try to catch your eye {And open up your eyes}  
Sometimes it's so hard to see {Sometimes it's so hard  
to see}  
The good things passing by {The good things passing  
by}

There may never be a sign  
No flashing neon light  
Telling you to make your move  
Or when the time is right

[Chorus:]  
(So) Why not  
Take a crazy chance  
Why not  
Do a crazy dance  
If you lose a moment  
You might lose a lot  
So... why not  
Why not

Why not take a crazy chance [X2]

You always dress in yellow  
When you want to dress in gold

Instead of listening to your heart  
You do just what you're told

You keep waiting where you are  
For what you'll never know  
Let's just get in to your car  
And go, baby go

[Chorus]

Oh... oh  
I could be the one for you  
Oh... yeah  
Maybe yes  
Maybe no  
Oh... oh  
It could be the thing to do  
What I'm saying is  
You gotta let me know

You'll never get to heaven or even to L.A.  
If you don't believe there's a way

Why not  
Take a star from the sky  
Why not  
Spread your wings and fly  
It might take a little  
And it might take a lot  
But... why not  
Why not

[Chorus]
