"More To See"

Well I know that I may have had
My share of failing and falling
But I have come to understand
One thing remains
By all He's done
I have been made holy
Worthy of serving the One
The One who wrote eternity
So deep in my heart

Open your eyes and see
The wonder of a life
So wonderfully free
Lift up your head believe
There is more
There's so much more to see

You remind me still
Of the hope and promise
Daring my heart to be brave
And all the while
You strengthen me
So deep in my heart

His mercies are new every morning
His mercies are new every day
His mercies are new every morning
Beautifully new every day

Lift up your eyes and see
Lift up your eyes and see
Lift up your eyes and see
Lift up your eyes and see
