I'll walk closer now on the higher way
Through the darkest night will You hold my hand?
Jesus, guide my way

Oh, You mourn with me and You dance with me
For my heart of hearts is bound to You

Though I walk through valleys low
I'll fear no evil
By the waters still my soul
My heart will trust in You

Though I walk through valleys low
I'll fear no evil
By the waters still my soul
My heart will trust in You
My heart will trust in You

Oh, You counsel me and You comfort me
When I cannot see, You light my path

Though I walk through valleys low
I'll fear no evil
By the waters still my soul
My heart will trust in You

Though I walk through valleys low
I'll fear no evil

By the waters still my soul
My heart will trust in You

Though I walk through valleys low
I'll fear no evil
By the waters still my soul
My heart will trust in You
My heart will trust in You

My heart will trust in You
My heart will trust in You
My heart will trust in You

My heart will trust in You
My heart will trust in You
My heart will trust in You

Though I walk through valleys low
I'll fear no evil
By the waters still my soul
My heart will trust in You

Though I walk through valleys low
I'll fear no evil
By the waters still my soul
My heart will trust in You
My heart will trust in You
My heart will trust in You
My heart will trust in You
