Look across the world
And let us shine for you, Lord
The whole world is yours
And I want to live for you

One thing I know
Is that you've changed my life
I give you my all
All you are is good
Give you my heart
God it's only you I seek
Give you my praise
'Cause I believe in you

Look across the world
And let us shine for you, Lord
The whole world is yours
And I want to live for you, O God

All that I know
Is that you've changed my life
I give you my all
And all you are is good
Carry the lost
Make my prayer in this life real
Carry my cross
Hold on 'til I see you

Look across the world
And let us shine for you, Lord
The whole world is yours
And I want to live for you, O God

And I want to live
I want to love you more
I want to be used
Father in all of the world
May your word be heard
May it stay on my lips
Live what I speak
Until your kingdom come

Look across the world
And let us shine for you
And let us shine for you
Look across the world
And let us shine for you, Lord
The whole world is yours
And I want to live for you
Look across the world
And let us shine for you, Lord
The whole world is yours
And I want to live for you
And I want to live for you
And I want to live for you
