Here I am, back in love again
And I'm happy that it's not pretend

At last I found a girl
To give my heart a whirl
Someone who's love
Is from a dream

So, here I am, back in love again
Thinking back, I can't remember when
I thought I'd never find
This feeling in my mind
Someone who's love is what it seems

I've been looking for
Someone to love me again
I've been looking for
Someone to love me again

I thought I'd find a girl
To give my heart a whirl
Someone who's love
Is from a dream

I've been looking for
Someone to love me again
I've been looking for
Someone to love me again

I never thought I'd find
A girl to make me feel this way
I've only had these empty loves
I've thrown them all away

I never thought I'd find
A girl to make me feel this way
I've only had these empty loves
I've thrown them all away

I never thought I'd find
A girl to make me feel this way...
